2009 EDITION OF *AMERICAN CASINO GUIDE* OFFERS DETAILED TRAVEL INFORMATION AND MORE THAN \$1,000 IN COUPON SAVINGS

The new 2009 edition of the *American Casino Guide* is now available for travelers seeking information on any U.S. casino. The completely updated 496-page paperback book covers 38 states and lists money-saving information on more than 700 casinos — every casino/resort in the U.S. — plus, all Indian and riverboat casinos too!

A popular feature of the guide is a special coupon section that includes 224 coupons providing more than \$1,000 in savings at casinos and travel companies in all of America's major gaming centers. Included are offers for FREE: betting money, buffets, shows, fun books and more.

The newest edition of the guide (which has been published annually since 1992 and sold more than 600,000 copies) provides all the toll-free phone numbers, website addresses, room and suite rates, dining information (including buffet prices) and any unique or special features offered by each casino as well as information on the games that are offered. Also included are informative maps of 38 states showing where each casino is located, plus detailed maps of five major gaming areas: Las Vegas, Reno, Atlantic City, Biloxi and Tunica.

The guide is written by a former gambling industry executive with more than 30 years of experience, plus the Guide features stories from some of America's most well-known gaming experts. Topics covered include: which casino games offer the best odds; how to play blackjack, craps, roulette and baccarat; how electronic gaming machines work; how players are rated by casinos; how to take advantage of casino promotions; and more. Additionally, the book includes complete statistics showing the actual returns on slot machines as provided by each state's gaming commission, plus full details on which casinos offer the best table game rules and best-paying video poker games in all of the major gaming areas.

The 2009 edition of the *American Casino Guide* is \$18.95 at bookstores, participating AAA offices and also at America's largest RV Club - the Good Sam Club. The book can also be ordered online at www.americancasinoguide.com; www.barnesandnoble.com; and www.amazon.com; or by calling (800) 741-1596.
